## STEWARDSHIP MINUTE

We turn our minds and hearts to God in this time of Thanksgiving. We are reminded that God's people are to be thankful and generous since our God is generous and is our deliverer. Scriptures teach us to give a proportion of our income, even sacrificially but to do so with a thankful heart. Let's continue to be faithful to the scriptures and to the life God is calling us to. The offerings for the month of September totaled **\$47,709**. The collection for the first week of October totaled **\$19,928** and our financial target, the total amount needed to be received from the congregation towards New Life Ministries, for October is **\$81,000**.
