

## After the Storm.

*Matthew 7:24-27*

## Discussion Points

*November 28, 2021*

### Read/Reflect

1. Read Matthew 5-7. It's Jesus' Sermon on the Mount. Which part of his teaching strikes you? What are you convicted of?
1. What impacted you the most given the recent floods in B.C.? What story, what response by someone left an impression on you?
2. If you had to suddenly leave your home, like so many of the flood victims these past few days, what would you take with you?

### Go Deeper

1. What is the most significant "flood" that you've been through in your life? How has it affected you or your family?
2. Read Isaiah 43:1-2 and reflect on it. If this verse doesn't mean we will never go through a flood (because we just did), what does it mean? Hint: focus on the phrase "I will be with you".

### Pray & Serve

- ✝ Spend some time thinking about what is overflowing in your life....the good things. Spend some time thanking God for His overflowing goodness in your life.
- ✝ Think about how you can tangibly help someone this week who has been affected by the flood. Donate to flood relief. Bake some cookies. Help clean someone's basement. Invite someone over for a good meal. As you do, be cognizant of the spiritual lessons that God is teaching you as you do.
