At the Table

With the self-righteous

Read/Reflect

1. Have you ever turned down a dinner invite from someone whom you might think may affect your reputation or faith belief?
2. What are your thoughts on including a lonely and needy person/stranger in your family dinner?
3. What prized possession would you give up so that you could share with others as a form of worship and gratitude to God?

Explore

1. What are some practical ways in which you can show hospitality to people in your community who are considered marginalized?
2. How can we as believers reflect the shalom that Jesus promised us?

Pray

- Seek out opportunities when you can exercise and practise hospitality. Pray for courage to engage new people in church, neighbourhood, and community so that you can show care and concern to them.
