# AT THE TABLE

## With Jesus, the Host – Luke 22:7-30

### Read/Reflect

1. What is the best party or get together you ever hosted or were guest of honour at? What made the party great?
2. If you could go out and have a meal with Jesus, where would you ask him to meet you?
3. Think about a person for whom your opinion changed once you got to know them?

### Explore

1. When were you last surprised by something you read in the Bible?
2. How might someone see that you live with the anticipation of Christ's return and sitting at the banquet of the Lamb? (Rev 19:9)
3. What is the joy you experience while participating in communion?
4. How do you "proclaim the Lord's death and resurrection until he comes" (1Cor11:26) in your daily life?
5. Where might the Holy Spirit be prompting you to follow God's call to believers in Matthew 25:35-36?
6. What is the most difficult part for you and might stand in the way of your showing 'radical ordinary hospitality'?
7. How has Jesus shown you hospitality?

### Pray

- To trust the Holy Spirit that he will do the work in us to be hospitable and he will bring someone in need to my attention
- Repent of an "I don't feel like it" attitude (if necessary)
- To recognize God's goodness and abundance and to have a willingness to share what I have with others
