I'm Someone

Luke 8:43-48

Read/Reflect

1. Read Luke 8:43-48, and review the context in verses 40-56. Who was the woman who was healed? Who was the man whose daughter was healed? Why might these two stories be intertwined?
2. Luke observes specifically that “In the presence of all the people, she told why she had touched him ...” (vs.47b). What do you suppose she said?
3. What was it that healed this woman?
 - The woman’s faith
 - Jesus’ cloak
 - Jesus
 - The woman’s action

4. What do you tend to focus on in passages like Luke 8:40-56: the healing that happens or the one who does the healing? What danger do you think could occur if we don’t recognize both?
5. Fernando talked about how our souls can be alive in three areas: 1) having faith in Jesus for a changed life, 2) being healthy and free in Jesus for abundant life, and 3) having peace in Jesus by submitting to God’s will and his forgiveness? How is your soul alive today?
6. How well do you know the partnership we have at New Life Church with Fernando Trevino and his ministry?
