GOOD WORK

God Completes the Work

Read/Reflect

1. Read Philippians 1:1-11. Imagine these words were directly addressed to New Life Church. How does it make you think of the work of ministry? How does it make you feel about your faith?
2. What gives Paul confidence about the future of believers, and how does this shape our view of salvation?
3. What does it mean that God will continue his work “until the day of Christ Jesus? How does that make you think of your present faithfulness?

Explore

4. How can Philippians 1:6 encourage someone who feels spiritually weak, discouraged, or afraid of falling away?
5. If you were writing the words of Philippians 1:3-6 to New Life Church, what specific things would you be thinking of (e.g. a particular ministry, a particular work of God, a particular time, a particular person)?
6. What is the good work that God has done in you personally by belonging to New Life Church?

Pray

- Praise God that He is at work in us and through us and promises to accomplish His eternal purposes in us,
- Ask God to empower you by the Holy Spirit to pursue a deeper relationship with Him that you might discern the good work that He is doing and that you might become more like Jesus.
